

US Bioservices now dispenses DUPIXENT®

DUPIXENT® (dupilumab) is prescription medication co-developed by Sanofi and Regeneron used for the treatment of adult patients with moderate-to-severe atopic dermatitis whose disease is not adequately controlled with topical prescription therapies or when those therapies are not advisable.

Options for sending a prescription to US Bioservices

1 Portal

Send online prescription orders through the MyPathpoint prescriber portal. To login or register, visit mypathpoint.com.

2 E-Prescribe

Search for US Bioservices under 'Retail Pharmacy,' select 'Texas' as the state, and send the prescription. Include the ICD-10 code and patient insurance information in the pharmacy notes section or fax it to (888) 418-7246.

3 Fax

Fax patient prescriptions and associated insurance cards, recent clinical notes, and labs to (888) 418-7246.

4 Phone

Contact one of our pharmacists at (888) 518-7246 to give a verbal prescription order.
